Kia ora,

As you will know, our kura is hosting this year's Piako Cultural Festival. We would like to be able to provide a variety of kai for our guests to purchase, including home baking. We would like to ask if each family in our Kapa Haka please provide a plate of home baking to sell at our festival eg slices, muffins, cupcakes, or biscuits. If the baking could be brought to school the day before or the morning of the festival, that would be really appreciated.

Thank you
Jo Keogh
