Home & School Committee

We had a great turn-out for our first Home & School meeting of the year! The ideas were really flowing. It does make a difference with more people on board for fresh ideas and to lighten the load.

Thank you to everyone who came along and committed to our Home & School.

At our next meeting we will be focused on creating a fundraising plan.

If you missed this meeting and are interested in joining us, come along to our next meeting on the **2nd April 7pm in the Staffroom.**

Helpers – Friends of the Committee

If you cannot be on the Home & School Committee but are interested in being a helper at our sausage sizzles, discos or other organised events please fill out the form that is coming home today, so we can contact you and ask for support when events come up. David Street School staff & children appreciate your support.

Values Awards

David Street School celebrates children who have been showing our school values in their behaviour and actions at school. Recipients of the **Principals Awards** were:

Lilly Lawson: Lilly consistently shows respect towards her peers and teachers. She is always kind, caring and is willing to help others in need. Keep it up Lilly!

Blake Mitchell: Blake has been courageous in the playground and in the swimming pool. He is becoming and independent learner and comes to school with a smile.

Lucy Soffe: Lucy is a quiet student who strives to complete tasks. She is always willing to help in a range of capacities, leading others in technology or doing errands. Lucy is working hard on areas that she has identified as needing to improve in.

Ice Block Values Awards

Throughout the week we will also be looking at children who display our values in the playground. These children will go in the draw to receive a free ice block on Ice Block Friday.

The recipients of our free ice block were:

Aiden Jones, Toby Beatson, Akeelah Henderson, Kyle Marsh, Curtis Hofmans-Payne and Mason Hapi

Wednesday 18 March is World Juvenile Arthritis Day.

We will be showing our support of our friend Ilah at DSS by wearing green in support of juvenile arthritis.

Wear GREEN IN SUPPORT and to raise AWARENESS of JUVENILE ARTHRITIS.

18 March 2020

WORLD JUVENILE
ARTHRITIS DAY

Heath is a David Street School student and a 5year old artist.

Heath will be undergoing a bone marrow biopsy this year to test for a rare blood cancer called Essential Thrombocythemia. Like many New Zealand families, the Stevenson's will be staying one night at the Ronald McDonald House.

Heath has created some amazing art and is helping his Mum, Brooke, to fundraise for the Ronald McDonald House Charities New Zealand by selling his artwork printed on tote bags and tea towels.

They hope this fundraiser will help to support many more families, enabling them to stay together while their children receive care and treatment.

You can support Heath and his fundraising by buying his fantastic art work on a tote bag or tea towel at this link

Congratulations Cooper Carmichael! Champion King of Schools 2020

Cooper competed in the North King Country Motorcycle Club 'King of the Schools' event last week in Te Kuiti.

The event runs every year, kids compete in the MotoX event racing it out for their schools.

Cooper came away with the gold ribbon in his group!

He has been competing since he was about 5yrs old and riding for a "very long time", he can't really remember but mum confirmed from about 2yrs old.

Well done Cooper! We look forward to hearing more about your racing.

Did you remember to WASH YOUR HANDS?

We are always reminding children at school of the importance of personal hygiene around handwashing and coughs and sneezes.

It would be helpful if the same message was also reinforced at home:

* Wash your hands with soap and water, and dry them before you eat, and after you use the bathroom (wash for at least 20 seconds).

* Sneezes and coughs need to be 'caught' in the crook of your arm (not hands) to prevent droplets being sprayed on others, or surfaces.

Use tissues when required, throw them away in the rubbish bins and then wash your hands.

Illness at school

Children with the following symptoms may be deemed as unwell for school;

- Elevated temperature, Diarrhoea and/or Vomiting, Continual streaming of mucous from the nose, Respiratory difficulties, Excessive coughing, High pitched wheezy chesty or laboured breathing, or generally unwell and unfit to be at school

Children should be kept home from school if they have been vomiting and /or had diarrhoea and should not return until they are well and have had **at least 48 hours of no vomiting or diarrhoea**. These bugs are spread via hands to mouths.

Guitar Lessons with Jane Fergusson
