## Grateful Challenge – Room 17

Some of our children have been reflecting on what they have been grateful for during the lockdown. Here are some thoughts from Room 17

I am grateful that I have warm clothes.  
I am grateful that I am healthy because some people in other countries are getting sick.  
I am grateful that I have a good school.  
I am grateful for my pets because other people don't have pets.  
I am grateful for my friends because my friends are the best.

I am grateful for my two cats because they come to me and hug me.  
I am grateful for my dog Cleo.  
I am grateful for my toys because other people do not have toys.  
I am grateful for my home and my baby.

I am grateful for my sister.  
I am grateful for her because she is the best. I love playing games on her bed.  
I have got a nice mum.  
I am grateful for Dian because he is my best friend.

I am grateful for my family because I love them, especially Liam.  
I am grateful for my Mum and Dad.  
I am grateful for my teacher.  
I am grateful for my lego.  
I am grateful that I have a great country.

I am grateful for my warm clothes and my family.  
I am grateful for school because I can learn.  
I am grateful for my friends because they are nice to me.  
I am grateful to live in New Zealand because it is a good place.

Book Club

The senior students were challenged to build a Boat, Tower or Bridge using materials found around the house. They then researched similar real-life creations that related to what they had built, used their math skills to calculate different aspects of their build, and finally wrote a promotional piece to entice visitors to view and experience their masterpiece. It was a fantastic, creative week of learning.

Welcome to Lady Cruel Sea. Book now for a unique way to travel. It's only \$10.00 every week for one person.

We have a shark tank at the bottom of the boat. It's a perfect experience, especially if you're distressed or worried very easily. We pass a lot of marvellous, beautiful coral reefs which can be viewed from the tank.

We also have the best captain in the northern hemisphere. His name is Captain Bob. He's a funny, smart, bubbly guy and knows his way around the sea like the back of his piloting hat.

If you stay the night we will give you a free pass to our 5 star rated luxury pool with extra jets. Added to this we have a bar in the pool that you swim down a glass tube to get to. This is covered by a giant dome. You sit down and order your dinner, lunch and breakfast all drinks a for free plus we have a kids area for all ages (It's also a fantastic view).

A luxurious shipping container has been turned into a bedroom. It includes a perfect little kitchen just for you (you can eat anything at any time). Also, you have a king sized bed with electric blankets which will keep you warm all night long. There is a bathroom with a big round bath and a gold toilet with an extra soft seat.
