### **Community Feedback**

We are seeking the views of our community regarding how we responded to COVID 19 as a school over the past 11 weeks, as we moved through the various alert levels.

The information you share will help us reflect and further improve on our processes should any future similar event occur.

As you consider our three questions below, please reflect on the way our school supported:

- Distance Learning... online and/ or paper packs
- Communication with children and adults including Updates, Facebook, Website, Zoom, TXTs, Phone calls etc.
- Children's wellbeing including the managed return to school.

Follow the link to the survey or look on our school website or facebook page. Feedback will close at the end of this week.

### **Values Awards**

David Street School celebrates children who have been showing our school values in their behaviour and actions at school.

Below are the recipients of the **Principals Awards** over the past few weeks.

#### **Olivia Ruston:**

Olivia has shown courage in new learning and respectfully helps others. She has really stepped up this year.

#### **Mackenzie Hadj-Blaha:**

Mackenzie received her award for being a courageous learner who always seeks to be the best she can be. She is a positive and determined learner and a role model for others.

#### **Thomas Brocksopp:**

Thomas is an amazing role model to his peers. He is always supportive of his classmates, going out of his way to help peers and teachers alike. Thomas demonstrates our values in everything he does.

#### **Hamish Lochrie**

Hamish received his award for showing excellence in learning. He loves learning and always takes responsibility to ask questions that help him improve. Hamish is very self-driven.

#### **Dian Venter**

Dian is a determined and courageous learner who worked incredibly hard during lockdown. Well done Dian.

### **Absentee & Student Messages:**

We discourage parents sending absences or after school messages via email or private messaging to our office staff or teachers. In the first instance, absences should be phoned directly to the school office or an absence message left on our absence line. Phone: 8897780.

Teachers are not always able to check emails throughout the day and may be out of the classroom.

Office staff are not always checking these forms of communication throughout the day either and important messages may be missed and not relayed to your child on time.

We understand the convenience of sending a quick message via social media or email but we would hate to miss an important message or absence for your child.

Thank you for your understanding.

If your child is going to be late or absent, please phone the office before 8.50am, 889-7780.

If you have an after-school message for your child, please phone these through by 2.20pm so we have time to get the message to your child before the bells.

### **Wanted**

Miss Hazlehurst and Mrs Harrop are looking for donations of lego, board games, and packs of cards in good condition for lunch time activities. If you have anything suitable lying around at home, could you please deliver to Room 11. Thank you!

Did you remember to  
**WASH YOUR HANDS?**

To stop the spread bugs, your child should stay home if they are sick.

Sneezes and coughs need to be 'caught' in the crook of your arm (not hands) to prevent droplets being sprayed on others, or surfaces. Use tissues when required, throw them away in the rubbish bins and then wash your hands.

## School Sports Day

Last week David Street School held a school sports day for our DSS senior and middle school children. It was great to see everyone having such a great time and get back into team sport again after the cancellations. Sport Waikato Energizer came along and supported us on the day, they brought along a special guest, Rugger, who was a huge hit! Our middle school were out and about filming some of the action and asking some great questions. You can view it on our website at: <https://www.davidst.school.nz/135/pages/57-rugby-netball-day-2020>
