If you have not enrolled your child for the 2021 school year, are unsure, or your details may have changed, please contact the office via Ph 889-7780 or email [office@davidst.school.nz](mailto:office@davidst.school.nz) and check if we have your child is on our enrolment list and all details we have are correct. This will help us with our planning for 2021.

## BASKETBALL & HOCKEY/SOCCER FUN DAY - CANCELLED

Unfortunately, due to the Covid-19 Level 2 requirements the organisers of Basketball and Hockey/Soccer Fun Day have had to make the hard decision to cancel these events.

### Fees

The basketball competition fee has been reduced to \$10 a player to cover the Event Centre costs for the weeks played.

We have credited the remainder of the basketball fee - \$15, and the \$3 hockey/soccer fun day fee to your child's school account.

## Friday 11 September

Due to Level 2 guidelines the Gym Sport event will be run differently this year.

## CARE FOR KIDS

### Part time 2IC

#### Morning/After school/Holiday Programme

David Street School is looking to appoint a new 2IC to join their team for their morning and after school and holiday programme 'Care for Kids'. The 2IC will be a part of the team who assists the current Manager to ensure a quality programme is provided for our families. Due to Ministry requirements the applicant needs to be over 20 years of age, would ideally have experience in working with children, be able to take charge and manage large groups of children as well as co-ordinate and organise support staff.

A police check and safety check will be required. A current first aid certificate is an advantage. There is some flexibility with 2IC's hours, and this can be discussed with the Manager of the programme. Likely between 8 - 20 hours per week during term time and more hours available throughout the school holiday period.

**For an application pack please** email [careforkids@davidst.school.nz](mailto:careforkids@davidst.school.nz) or phone the school office 07 889 7780. Alternatively pop in and see our Manager Pia in the School Hall.

To stop the spread bugs, your child should stay home if they are sick.

Did you remember to  
**WASH YOUR HANDS?**

Sneezes and coughs need to be 'caught' in the crook of your arm (not hands) to prevent droplets being sprayed on others, or surfaces.

Use tissues when required, throw them away in the rubbish bins and then wash your hands.
