Bring along \$1 and receive a yummy ice block at lunchtime.

All money made from our Ice Block Fridays go towards our Arts programmes at school. Thank you for your support.

Staff and children were very excited to have a visit from ex Silver Fern, Liana de Bruin this week. Liana very kindly signed one of our netballs and posed for a photo with Danielle.

Thank You

Our Junior team were so excited to receive a box of rugby balls, rugby tees and tee ball sets donated by Blake Griffin's dad (Jody) on behalf of James Hardie.

Thank you, Mr. Griffin and James Hardie.

Junior Water Fun Day

Thank you to all the whānau that came along to our Water Fun Day. We are always overwhelmed by the incredible support we receive for all school events. We really appreciated the helpers that packed away all the equipment and gazebos.

Information sheet on hearing and vision checks in school

Vision Hearing Technicians from Rural and Community Services

will be visiting our school on the 18th March

Information Sheet on Vision and Hearing Checks in School

Which children are routinely checked?

- Catch up screening for children who have not completed vision and hearing checks as part of their B4 School Check
- Children absent from previous visit, require retests or follow up
- In special circumstances, parents, teachers or others may request a vision or hearing check
- New immigrants
- All Year 7 student's vision only

What tests are carried out?

Ears

- Audiometry (hearing test)
- Tympanometry – middle ear function test (only carried out when hearing test is not within a normal range)

Eyes

Long distance vision tests – not a complete visual examination, but a simple screening test

NB All of these checks are non-invasive, safe and should cause no discomfort.

The Vision Hearing Technician will:

- Notify parents of all test results
- Enter results on Ministry of Education database (Enrol)

The Vision Hearing Technician will obtain personal details from the school ie; names, date of birth.

If the technician needs to contact parents or caregivers following the visit, addresses and phone numbers will also be required.

Our Service may share this information with other health professionals involved in the children's care.

If any parents/caregivers do not want their child to be checked, or their child is currently under specialist care for a vision or hearing defect, they should let the school know.
