Buses

With the beginning of a new term, it is imperative that if your child/ren are not going home on the bus when they normally would, that you notify the school office, especially now with netball finishing and basketball starting up.

Please notify the school office prior to 2.30pm for our information, and to remind the students of any changes to travelling on the bus that day (students will be reminded on the 2.30 afternoon notices).

We need to ensure your child is in the right place.

Reporting Student Progress and Achievement

The New Zealand Curriculum recognises that learning is like a roller coaster. We all learn at different rates, sometimes the learning clicks, and sometimes it takes a little longer.

At David Street School we recognise this journey. From tomorrow, when you log back into your students' HERO learning portal (link can be found on our website) you will find some 'dials/graphs' representing Reading, Writing and Maths.

These dials indicate the learning and achievement of a child in relation to our David Street School Learner Pathways. The example is a **Year 4 student** who is performing at their **expected level** of schooling.

Year 4 Child's Goals

The dials with **full green green circles** and a tick show that the child has **completed all of the goals** at these levels.

Green shows the goals at this level they have completed/achieved.

Yellow shows goals they are currently working on.

This shows that the child has some goals from the previous year that they are still completing. Although some may be grey, the reason for this could be that the focus in class is not on that goal.

Often the goals are similar at each year level but have more complexity as the years progress. Teachers will cover the uncompleted goals throughout the year but the focus is on goals at the child's current year level.

The **Grey** shows goals that have not been taught so far this year or may have been taught but are not the current learning focus.

If you have any questions regarding your child and their learning as a result of these dials there will be time at the learner conversation meetings next week to discuss these. If you are unable to attend the meeting and want to talk to your child's teacher please get in touch via the school email or office.

Values Awards

David Street School celebrates children who have been showing our school values in their behaviour and actions at school.

Recipients of the **Principals Awards** were:

Nakelly Nuth:

Nakelly consistently takes responsibility for her learning. She is always ready for learning and completes all tasks to a very high standard. What a role model!

Ryder Johnston:

Ryder is a self-aware learner. He takes responsibility for his learning and is trying his best in all curriculum areas. Well done Ryder!

Kya Pratt:

Kya is a responsible and respectful learner who always does the right thing. She is always eager to learn and asks curious questions during our investigating sessions. Well done Kya, you are a great role model for others.

Ollie Hudson:

Ollie shows excellence in all areas of his learning. He is always listening, following instructions and pushing himself.

Willow McLeod:

Willow always thinks carefully about what she is going to do in all areas before doing it, ensuring she is completing all things to an excellent standard. She is a great role model in kapa haka and shines in this area!

Tyson Minimita-Hotene:

Tyson is a responsible and respectful learner who always does the right thing even when no one is looking. He shows great responsibility for not only his learning but his actions in and out of the classroom.

David Street Roundabout.

A reminder that the school roundabout **drop off** zones are just that. School gates are busy places especially before and after school.

The rules at the roundabout are designed in consultation with police, to ensure the safety of our children.

Let's work together to ensure the safety of every child.

We now insist that:

Drivers must remain with their vehicle and drive off as soon as their child is safely on the footpath.

Children must exit the vehicle on the footpath side of the roundabout.

Everyone needs a Brain Break!

All our children stop for a quick healthy snack at 10am to get their brains refuelled after a hard mornings work.

A reminder to always pack an extra piece of fruit for our brain break in the mornings.

In line with ministry policy we do need to know the reason your child is away. If your child is not at school, and we are not sure why, someone from the office will give you a call. If you have an after school message for your child, please phone these through by 2.20pm so we have time to get the message to your child before the bells.

We discourage sending emails or private messaging of absences or after school messages as we are not constantly checking these forms of communication and important messages may be missed or not relayed to your child on time.
