Rachel Robb
(BOT Chairperson)

On Behalf of the School Board of Trustees, hello to all our DSS Families and Community.

The school year is well underway now and after a recent flying visit across the school, the buzzing of the tools working on the new Administration Block were no match for the energy and vibrancy coming from the classrooms.

It was clear to see an environment of engaged, creative and curious children.

We have spent the past few months working through the various reviews that are scheduled for this time of year. That included the schools Strategic Direction, Financial Budget and most recently, engagement with the Financial Auditor during their annual visit. DSS is meeting all its legislative and regulatory requirements and this has been assured in partnership with ERO.

We are confident that Brian, and all the management team, are doing brilliant work navigating the ever-moving messages of change to the Covid-19 Protection Framework for Education, while supporting families and their children through some rough patches. This strong leadership has been embraced by the teachers and supporting staff, and we thank you all for getting stuck in and taking action in this challenging environment. We also thank parents and whānau for their support and understanding during this time. It has not been easy. It simply cannot be underestimated the wonderful job everyone has been doing in continuing to grow and celebrate David Street School as a thriving community of courageous learners.

As Covid-19 cases continue to circle our community, we wish for everyone affected safe recoveries and encourage us all to keep looking out for one another.

Take Care
Rachel Robb, Presiding Member, Board of Trustees.
