The last day of Term for your children is next week on Wednesday 13 April.

School closes at the normal time of 3pm.

This will be our final newsletter for Term 1. School finishes for the term next week on Wednesday 13 April.

Thursday 14 April is a staff professional learning day along with other local Kahui Ako schools in our community, school will be closed to all students. This will be a significant day in the development of our Morrinsville Community of Learning | Kahui Ako, as we will be visiting some historical local sites.

We would like to thank you for your support this term and wish you all a happy and safe holiday break.

Care for Kids programme will be running for those who require it on Thursday 14 April (limited numbers).

Bookings are required. Please contact Pia if you are requiring care on Teacher Only Day. Ph or txt 0273 691 263

Limited spaces so get in quick.

Red Setting Mandate Changes

Last night, our whānau and staff were invited to email any thoughts or questions for the board to consider as we review our school health settings now that the mandates requiring vaccines, scanning of QR Codes and Vaccine Passes have been removed.

The board is required to review our covid safety settings in our school context to ensure the 'Traffic Light Red' settings remain in place in a practical, sensible way. This can affect people in different ways, and so your thoughts are important for us to consider as we begin this review.

Please email brianh@davidst.school.nz with any thoughts or questions you may have before 3.00 pm on Monday 11 April.

Home and School Committee – Raffle Draw Results

Principal Values Awards

David Street School celebrates children who have been showing our values in their behaviour and actions at school. Recipients of the Principals award were:

Ryan Latto

Ryan consistently displays the school values. He is a great role-model to those around him and is a kind and caring friend. Ryan is a great bucket filler in our classroom and we are so lucky to have him.

Fletcher de Nicolo

Fletcher has developed a great attitude towards his learning. Particularly in writing. Fletcher is stretching his learning by responding positively to feedback and giving new things a try.

Daytona Dezpote

Daytona received her award for her fantastic attitude towards her learning, and the kindness she shows to others. She is always focused on doing her best, by listening to feedback and giving new things a try. Well done Daytona!

EPRo8 Challenge

Some of our Senior school children are taking part in the qualifying round of EPRo8 on Monday. EPRo8 is an inter-school science and engineering competition. Every year over 22,000 students from throughout New Zealand take part. They have been placed into teams and are practising their engineering and team-work skills in preparation for Monday.
