

CREATIVE CREATIONS

PLASTIC IS EVERYWHERE. IT IS PLACES THAT WE CAN SEE CLEARLY, BOTTLES, CONTAINERS AND STRAWS BUT IT IS ALSO IN PLACES THAT WE DON'T SEE SO CLEARLY, CARS, WET WIPES, SOME BODY WASHES AND FABRICS. DEPENDING ON THE TYPE OF PLASTIC IT CAN TAKE DAYS TO HUNDREDS OF YEARS TO DECOMPOSE. OUR WORLD IS SUFFERING FROM THE AMOUNT OF PLASTIC RUBBISH WE PRODUCE.

YOUR CHALLENGE IS TO CREATE A NEW USE FOR PLASTIC RUBBISH,

Activities: [BOTTLE IDEAS](#)

- ❌ Source clean bottles, what can you do to reuse these bottles?
- ❌ Draw a plan of how you are going to make your creation
- ❌ Write or draw a set of instructions on how to use or make your creation.
