Board of Trustees Staffing Announcement

The David Street Board of Trustees wishes to congratulate Rob Gunn for his appointment as Principal of Whatawhata School from the beginning of Term 2.

Rob has been our Deputy Principal and key contributor to our successful culture of learning and teaching for more than twelve years.

Rob is well deserving of this promotion, and we feel a sense of loss and celebration as he leaves us to further his leadership career.

Rob will leave a large gap for us to fill.

Rachel Robb
